16-19 Bursary Scheme

Introduction

The 16-19 Bursary Scheme provides financial help to young people aged 16 to 19 who face financial barriers to participating in education or training, provided they meet agreed standards of attendance and behaviour.

Only students in defined vulnerable groups, or experiencing the greatest financial disadvantages and course-related costs, can be supported using the 16-19 bursary funds.

The 16-19 Bursary Fund has two alternative elements:

- * An **enhanced bursary** of up to £1,200/year for young people in the following defined vulnerable groups: in care; care leavers; young people in receipt of Income Support or Universal Credit; and disabled young people in receipt of both Employment Support Allowance and Disability Living Allowance/Personal Independence Payments.
- * The school may award a **discretionary bursary** to students to help with the cost of meals, books and equipment, including stationery and help with travel to and from school. This award can vary due to the individual circumstances of the student. [The basic eligibility criteria are for those students in year 12 and 13 who are currently in receipt of free school meals.](#)
- * Students who do not meet this criteria but are experiencing hardship should in the first instance speak to their Head of Progress regarding their circumstances.

Eligibility

To be eligible to receive a 16-19 Bursary in the 2022/23 academic year, the young person must be aged 16 or over on 31 August 2022. Where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year in which they turn 19, or to the end of the programme of study, whichever is sooner.

To qualify for free school meals a recipient first needs to apply to Newcastle City Council at <https://www.newcastle.gov.uk/services/schools-learning-and-childcare/help-school-and-learning-costs/apply-free-school-meals> or by searching on the City Council website for "Free School Meals Application".

After this form is completed online, the City Council will notify Sacred Heart of participation and a bursary, including a daily free school meals allowance usable at all Sacred Heart catering facilities, is awarded to the student. [If you have previously received free school meals you may need to reapply as the award often ends at the end of year 11.](#)

Only the administration of Free School Meals eligibility is overseen by the Newcastle City Council. All other provision is administered by Sacred Heart.

If you do not qualify for a standard bursary it is still possible to make limited awards to help students purchase materials that will directly be relevant to their programme of study, especially in Arts, etc.

For smaller payments related to study contact should be made to your daughter's Head of Progress.

Vulnerable Bursary

In 2013, there was a phased introduction of two new benefits: firstly, Universal Credit, to replace both Income Support and Employment Support Allowance; and secondly Personal Independence Payments, which replaces Disability Living Allowance.

There may be some 16-19 year old students affected by these benefit changes and therefore students in the following situations are also now eligible for a vulnerable student bursary:

- * Young people who receive a Universal Credit payment in their own name.
- * Young people who are disabled and receive Employment Support Allowance and a Personal Independence Payment in their own name.

Therefore, the defined vulnerable groups are:

- * Young people who are looked after (in care);
- * Care leavers;
- * Young people in receipt of income support (or Universal Credit) in their own name;
- * Disabled young people in receipt of both Employment Support Allowance and Disability Living Allowance (or Personal Independence Payments).

Young people in the defined vulnerable groups are eligible for a bursary of up to £1,200.

Sacred Heart is responsible for identifying young people who are eligible for a vulnerable student bursary payment. To do this, evidence must be provided by the student and copies of evidence must be retained for potential financial inspection of the school by the Educational Funding Agency.

Confidentiality will be respected by the school throughout. The following are examples of appropriate evidence:

- * a letter setting out the benefit to which the young person is entitled, ideally confirming that the terms of their benefit entitlement allow them to participate in further education or training (institutions should be aware that there are circumstances in which a young person on benefits is prohibited from participating and should take steps to ensure this is not the case).
- * written confirmation of the young person's current or previous looked-after status from the local authority which looks after them or provides their leaving care services.

Assessment and Payment of Bursaries

In determining arrangements for assessment and payment of the 16-19 Bursary Fund, Sacred Heart is subject to equalities legislation and will not discriminate against students, either directly or indirectly, on the basis of their protected characteristics. Sacred Heart is also subject to the public sector equality duty in section 149(1) of the Equality Act 2010.

- * Have good attendance in tutor time of 90%.

Students will be notified if they have not met these requirements by letter. The letter will state the reason why and allow the student an opportunity to discuss this further if they feel the decision is incorrect.
